WORK EXPERIENCE

Communications and Public Engagement Officer

Jan 2023 – Current

International Solidarity Foundation-Partners | Kisii, Nyamira, Kenya

- Lead communication and public engagement for 2 partner organizations, CECOME and Manga HEART, implementing 6 projects focused on GBV prevention, gender justice, Sexual and Reproductive Health and Rights, educational support, livelihood promotion, and civic education.
- Design and execute gender-transformative communication strategies for 6 funded projects, ensuring 100% alignment with advocacy goals and donor visibility guidelines.
- Capture photographs, shoot, edit, and produce documentaries, support podcasts, and create infographics for advocacy campaigns and community projects that strengthen storytelling and audience engagement.
- Oversee digital content management for 12+ social media channels across 2 partner organizations, achieving a sustained engagement growth rate of 15% quarter-on-quarter.
- Facilitate capacity-building workshops for 30+ journalists and influencers per partner organization, equipping them with gender-sensitive reporting skills to amplify project milestones.
- Orchestrate 20+ high-visibility media engagements, including TV interviews, radio talk shows, and Facebook Live sessions, connecting duty bearers with community members to promote policy dialogue.
- Conduct communication needs assessments across 500+ community beneficiaries, translating stories and feedback into proposals and presentations that enhance resource mobilization and donor appeal.
- Design and implement advocacy tools, including advocacy manuals and Terms of Reference (TORs) for digital campaigns, ensuring effective use across programs and stakeholders.
- Curate advocacy messages tailored for diverse audiences and innovate campaigns that communicate behavior change through compelling visuals and infographics.
- Led strategic communication for 30 grantee groups under the EU-funded Financial Support to Third Parties program, coordinating messaging across three cohorts of 10 groups each.
- Featured in the Red Nose Campaign as a storyteller highlighting life without FGM, a narrative that continues to be used internationally for fundraising and advocacy.

Communication and Advocacy Lead

Sept 2021 – Dec 2022

Inuka Success Organization | Kisumu, Garissa, Kenya

- Launched and coordinated 3 major in-country campaigns, increasing public awareness of GBV and anti-FGM issues by over 60% across Kisumu and Garissa Counties.

- Secured media coverage in 10+ local and national outlets by building strong relationships with the press, significantly boosting the visibility of grassroots initiatives.
- Provided training and workshops on communication and advocacy to 25+ staff and volunteers, aligning internal teams with strategic messaging and organizational goals.
- Liaised with county leadership and advocacy partners to ensure newsworthy information reached public decision-makers, contributing to policy discussions on community safety.
- Maintained and updated a database of journalist and influencer contacts, ensuring the organization leveraged these partnerships for consistent public engagement.
- Provided advice and guidance on advocacy messaging to volunteers, resulting in more consistent and impactful public communication.

Communications Assistant

Feb 2020 – Aug 2021

Universal Lighthouse Kenya | Kisumu, Kenya

- Organized 10+ press conferences and media briefings, managing logistics and follow-up communication for successful stakeholder engagement.
- Managed the organization's online presence across 2 digital platforms, resulting in a 40% increase in website traffic and consistent social media engagement.
- Monitored and analyzed media performance, tracking 100+ mentions and preparing analytical reports to inform strategic messaging and public relations.
- Coordinated production and dissemination of 10+ quarterly newsletters, enhancing organizational visibility and consistent information flow to partners.
- Maintained the stakeholder and media database, ensuring timely logistics and attendance for all organizational events and press activities.

ADDITIONAL WORK EXPERIENCE

- Research Assistant | Pan African Malaria Control Association, Kwale and Busia (Apr 2018 – Dec 2020)
